Terms of Trading Agreement

Terms.

1. A payment of 30% is required as a deposit upon and is confirmation of order.
2. A further stage payment up to 60% (inclusive of deposit) may be requested during manufacture on larger orders.
3. A cleared stage payment to 90% (inclusive of deposit) is required upon delivery.
4. A final balancing payment is due upon completion of original order (on delivery if supply only) or within 7 days if supplied and installed.
5. Payment for any extra work will be advised on request and due upon completion.
6. The price excludes delivery, installation (see notes below), worktops, appliances and any non-standard door furniture unless specified and quoted.

Notes.

1. The deposit of bespoke production is a commitment to pay for any commissioned work in full, without exception.
2. Any installation quoted will be "dry fit" only, meaning the fitting solely of the cabinetry and handles (if available when fitting). The price does not include the fitting of the appliances as these need to be connected and tested by relevant qualified installers.
3. Wood is a natural material and as such is prone to unavoidable variation in colour, grain pattern and movement. All efforts are made to avoid any movement, but "snagging" is sometimes necessary after a period of settlement. APS woodwork Ltd. cannot accept any liability for problems caused due to conditions beyond their control (i.e. building settlement, damp site conditions, etc.).
4. If a delivery date is agreed, please be able to take delivery to avoid storage costs.
